

Every year hundreds of families have a difficult time paying their natural gas bills. It is especially difficult for those on a fixed income. Making a choice between putting food on the table, or keeping a house warm on a cold winter night, is a decision none of us ever want to face.

Roanoke Gas has developed a program called **HeatShare** to help out those families who demonstrate a true financial need. Your contributions are tax deductible. For as little as **\$2.00 per month**, you can make a difference for many families in the Roanoke Valley.

Please fill out the attached card today and start making a difference in the lives of others. The donation you make to the HeatShare program will be added to your monthly gas bill and billed over a 12-month period.

Please help those families that are less fortunate by enrolling today in Roanoke Gas's HeatShare program. A contribution of as little as \$2.00 a month can, and will, make a difference!
